Annex to the letter dated 5 May 2015 from the Permanent Representative of Yemen to the United Nations addressed to the President of the Security Council

The Permanent Mission of the Republic of Yemen to the United Nations presents its compliments to all members of the Security Council and has the honour to refer to the announcement on 4 May 2015 by the President of the Republic of Yemen, Abd Rabbo Mansour Hadi, of a conference to be convened in Riyadh with the participation of all the Yemeni political parties, starting 17 May to discuss a road map for the fulfilment of the remainder of the implementation mechanism of the Gulf Cooperation Council initiative and the outcomes of the comprehensive national dialogue. The Riyadh conference will complement the efforts led by the United Nations.

The conference will take place under the auspices of the General Secretariat of the Gulf Cooperation Council, upon the request of President Hadi to his counterparts in the Gulf Cooperation Council, of 5 March 2015. The Riyadh conference is based on the full support of the constitutional legitimacy, the Gulf Cooperation Council initiative, its implementation mechanism, the outcomes of the national dialogue and the relevant Security Council resolutions, including its resolution 2216 (2015).

An invitation to all the parties that stand by these points of reference has been sent and a preparatory committee of 32 national figures, representing all political parties, the youth, women and civil society organizations, has been formed.
